Lynn McElwee's 5th and 6th grade art class fashioned these beach scenes and populated them with mermaids, dinosaurs, sharks and lobsters. Dionna's mermaids (top left) relax outside their pearl-adorned cave, while Zyshaun's dinosaurs (lower left) check out the volcano. It's not safe to go near the water as Kiwan's beach is patrolled by sharks! (top right). All three scenes are on display in the glass cases in the back lobby.
